# Tents

Tents come in a variety of types, styles and qualities. We offer both the elegance of pure white and the festivity of colors with most of our tent styles. Pole type tents are available in several styles and require center poles and five feet of perimeter space for staking. Frame tents have no center poles and require less staking. The best tent for your event is determined by both the tent site and tent application.

## Tidewater Sail Cloth Tents

Inspired by elegant medieval themes, the entire line of Tidewater Sail Cloth Tents are crafted from durable sail cloth material. With nautical flair, the sculpted peaks and eaves create an open airy event space like nothing you've seen before. The translucency of the sail cloth fabric allows natural light to enhance your next daytime event and positively glows when lit for evening gatherings. The Tidewater top is built with a centenary shaped perimeter reinforcement and striking sun shaped eave and peak reinforcements that add to the unique feel of the tent. Finished with natural wood center and side poles these tents offer classic elegance.
